

# peru lima mwp decaf

chocolate | tootsie roll | dark fruit | smooth

this is a fair trade certified™, organic decaf grown in the cajamarca region of peru. the coffee is grown by approximately 400 members of the asociacion de productores agropecuarios lima coffee peru, known as lima coffee. the president of the association, rony lavan, is known as a quality-focused cupper, and spends his time identifying high quality microlots that deserve more attention and higher pricing. during his first year with lima coffee, he entered and won the national competition (prior to the arrival of cup of excellence).

this coffee is grown between 1700 and 1900 meters. it is fully washed, and consists of typica, caturra, bourbon, costa rica, and catimor varieties. it is decaffeinated using the mountain water process.
