

guatemala asprocdegua

cherry | tobacco | molasses | roast

this is a fair trade certified™ coffee grown throughout the huehuetenango region of guatemala by 394 organic-certified small-holder members of the asociación de productores de café diferenciados y especiales de guatemala cooperative.

members of asprocdegua all practice crop diversification to promote the health of their crops and land, growing not just coffee, but also bananas, citrus fruit, avacados, guava, and cassava. the cooperative also provides technical assistance, including soil analysis and running test farms. they also run social projects, usually aimed at food security, education, and nutritional assistance.

this coffee is grown between 1600 and 2200 meters. it is fully washed, and consists of bourbon, caturra, catuai, and pache varieties.
