

mexico cabonoch mwp decaf

apple cider | graham spice | honey | caramel

this is a fair trade certified™, organic decaf grown in northern chiapas by member farmers of cafeticultores de los bosques del norte de chiapas (cabonoch). the cooperative was founded in january 2019, and has the following mission statement: "to develop a production strategy through the implementation of a training program, and technical advice in sustainable agriculture, ensuring that coffee producers improve their productivity and quality." the cooperative focuses on sustainable production, encouraging a symbiotic relationship with the environment.

this coffee is grown between 1000 and 2100 meters. it is fully washed on farm by individual member farmers, who deliver coffee in parchment to a central warehouse for grading. the lot consists of typica, bourbon, caturra, mondo novo, catimor, and sarchimor varieties and cultivars. it is decaffeinated using the mountain water process.
