## Claudia's Story

Wife and partner of Rodrigo Sanchez, Claudia Samboni has grown up in coffee culture her whole life. Her parents were coffee producers and neighbors of her husband Rodrigo's parents. Together they've created an incredible business, along with the help of their daughter Nathalia. This lot comes from one of their newer farms, Las Nubes. An absolutely stunning representation of the Geisha variety, this coffee is one of our favorites this year. This is our first coffee purchased from Claudia herself, and we look forward to many more.
