Stephen Nendela's Story

Our second year purchasing coffee from Stephen Nendela's Muinami Estate. Stephen moved back to the West Rift Valley of Kenya, the region of his childhood, in 2015. He uprooted his family's sugar cane production to plant coffee. Eventually Stephen also purchased another 17 hectare plot near the town of Kitale, which had been neglected for some time. Stephen revitalized this land where he planted cultivars in 7 terraced sections.
