Belen Gualcho's Story

Belen is a small town in the Ocotepeque Mountains. This group of smallholders exports their coffee through Finca Terrerito. Finca Terrerito is both a farm and exporting company owned and operated by the Lopez family. They're committed to improving the quality of coffee in Honduras, along with impact projects in the communities where they purchase coffee.

The Belen Gualcho community is a recent example of the success of these new initiatives.
